WINTER OFFERINGS BY WERBIER

A PERFECT SPOT FOR THRILL-SEEKERS

Ski and Snowboard Lessons

Which lesson is right for you can depend on a lot of factors. With small groups, they will experience the perfect balance between great fun and learning. Cancellations are not permitted; guests who miss a lesson will be charged the full lesson price.

Off-Piste Coaching

Ever wanted to learn how to ski powder? Verbier has some of the best off-piste terrain in the world! Enjoy your first experience with a fully qualified instructor to improve your freeride technique or just get away from the slopes for a day.

Mountain Guides

Go off the beaten track. Experience ski touring and skiing on glacial terrain. Well, these are all options when you ski with a guide - from a one day experience to over-night trips in high mountain cabins, and of course Heli-skiing.

Heli-Skiing

Experience the adrenaline of a helicopter ride to one of the remote peaks around the Verbier ski area. Ski untouched powder and experience unrivalled descents. And if you haven't had enough, you can fly back up and do it all again.

Scenic Helicopter Flights

Whether you ski or not, why not enjoy an amazing flight around the Valais area in a helicopter. Fly around the region's signature mountains including Mont Blanc and the Matterhorn. You can even ski to the heli-pad at Croix de Coeur where your helicopter will pick you up.

Paragliding

Take to the open skies on a paraglider solo or tandem. Thrill your senses, infuse your mind with pure adrenaline and escape your routine point of view with a paragliding flight in the Swiss Alps. The view is better from all the way up the mountains.

Parachute Jump

For the ultimate buzz, take a parachute jump over the Alps. After being briefed by the ground crew, your instructor will make sure you're fully prepared and comfortable before boarding the heli-copter. Following the stunning helicopter flight to your target altitude, the door opens... and you're in free-fall over the Alps!
